

Dear business partner,

we would like to invite you to our road show

## “Intel® Core™ Duo, Ethernet Fieldbus & CoDeSys – Innovations for Industrial PCs”

Experts from Kontron, Intel, Tenasys, and 3S are coming to your region to personally present you a comprehensive and up-to-date overview of the topic “Intel® Core™ Duo, Ethernet Fieldbus & CoDeSys – Innovations for Industrial PCs”.

The material will be presented by specialists from the respective market-leading companies on every theme (fieldbuses, processors, hardware, and software).

Stimulate your current developments with the cumulative, established knowledge of our experts and be inspired!

### Benefit from the best!!!

- **Kontron:** one of the leading companies in embedded computer technology and industrial computers Kontron is Premier member of the Intel Communications Alliance
- **Intel:** the world’s leading company in the field of semiconductor innovation, develops technologies, products, and initiatives to continually improve people’s lives and work.
- **TenAsys:** real-time operating system manufacturer for x86 processors
- **3S-Smart Software Solutions GmbH:** a leading software manufacturer for automation technology

You can gain the optimum advantage from the successful cooperation of the participating firms for your company!!! Talk to us about your requirements – we will offer you a solution!

### **Agenda:**

9:00 – 9:45	Registration with breakfast & small showcase
9:45 – 10:00	Greeting
10:00 – 11:00	<a href="#">Intel</a> - Intel® Core™ Duo processors – innovative technologies for automation
11:00 – 12:00	<a href="#">TenAsys</a> – INtime – realtime O/S for Intel ® Core™ Duo processors <a href="#">Profimatics GmbH</a> – Ethernet fieldbus: fast, faster, EtherCAT
12:00 – 13:30	group lunch
13:30 – 14:30	<a href="#">Kontron</a> – systems for automation from Kontron (top-hat rails, BoxPCs, CPCI, HMI) with new fieldbus technology and IEC61131-3
14:30 – 15:00	brief coffee break with pastries
15:00 – 16:00	<a href="#">3S</a> - CoDeSys 2.3 running under Kontron hardware – preview for CoDeSys 3.0 - enter the next level!

## **When and where?**

09<sup>th</sup> of May, 2006, Munich

Hotel Kandler, Erdinger Moosstrasse 11, 85445 Oberding/Notzing closed to Munich

10<sup>th</sup> of May, 2006, Nuremberg

Süd-West-Park Hotel Nürnberg, Südwestpark 5, 90449 Nuremberg

11<sup>th</sup> of May, 2006, Stuttgart

mo.hotel Stuttgart, Hauptstrasse 26, 70563 Stuttgart

16<sup>th</sup> of May, 2006, Frankfurt

Courtyard by Marrott Frankfurt Messe, Oeserstrasse 180, 65933 Frankfurt

18<sup>th</sup> of May, 2006, Hanover

Median Hotel & Tagungszentrum, Zum Blauen See 3, 31275

***All programs begin at 10:00 AM***

## **Interested?**

**Register** for free today at
